

**Doing Business with RTTC**

## Overview

Conducting business with RTTC is easy, whether your organization is government or private industry.

All test support efforts are coordinated through the Test Management Division (TMD) of RTTC. This Division is organized by "business or weapon system" area to better reflect the unique needs of our primary customer areas. Potential customers should contact the Test Management Division Office to discuss needed support, obtain answers to questions, request additional materials, provide comments, etc. E-mail links are provided below to the three business areas within RTTC's Test Management Division, as well as a link for general or other information.

**Government organizations** using our services simply transfer funds via a Procurement Work Directive (PWD Form 1095) document or a Military Interdepartmental Purchase Request (MIPR) document.

**Private Industry organizations** need only establish a simple contract that describes the desired services and the agreed upon cost. Funding is required before work starts. Contracts can be established in as little as one day.

The footer bar is a horizontal strip with a light gray background and a blue border. It contains three main sections: a blue button on the left, a white text box in the center, and a blue button on the right. The left button says 'Please read this Privacy & Security Notice'. The center text box says 'Last updated January 2, 2002'. The right button says 'Please send questions or comments about this page to [webmaster@rttc.army.mil](mailto:webmaster@rttc.army.mil)'. Above the right button is a smaller blue button that says 'Back to Top'.
